FACTS

According to Dr. Russell Jeung, a founding member of Stop AAPI Hate, hundreds of hate incidents were being reported daily.

Between March and December of 2020, there were over 2,800 cases of hate incidents against Asian Americans across the United States.

Unfortunately, these hate crimes continue to happen all over the U.S.

VICTIMIZATION RATES

HATE CRIME
REPORTED TO
POLICE

As per 10-Apr, 2021
